

# ARCTIC MAGIC ESKIES

## About us

We are dedicated American Eskimo Dog lovers who participate in various dog related events and we breed occasionally to produce what we believe to be quality Eskies that conform to the breed standard, are intelligent and beautiful.

All of our puppies are raised in our home, well cared for and socialized during their time with us. Every puppy receives a lot of love, play time and attention. We keep in close contact with our puppy buyers, and they become part of our extended family! We're always available to help you with questions or just about anything else!

We ensure that our puppies are only sold to loving committed homes and we do our best, to ensure a good match between the personality of prospective owners and our puppies, and ask you to fill in the following questionnaire, to help us get to know you a little and to understand what you are looking for in a puppy.
